Mountain climber takes Cheshire Homes to new heights

Father of one, Mahadevan Govindan, climbed Mt Kilimanjaro recently in an effort to give back to Cheshire Homes in Bayview. The 33-year-old former Montford resident said he was comfortable during the first four days of the climb, and although the terrain got increasingly difficult, he adjusted to the landscape and enjoyed it.

Although he is working and residing in Qatar with his family for the past two and a half years, Govindan was actively involved in the Cheshire Homes with his voluntary work, however, this was his first fundraising initiative for the home.

Govindan has been actively involved in mountaineering due to his training as an Advanced Life Support Paramedic and Rescue Technician. Speaking about the gruelling climb, he said, "My aim was to create awareness around the work that is done at the Cheshire Home and I hope that in doing this, it inspires residents and they contribute to the home. Hopefully this will encourage our community to assist them directly. I felt that I needed to contribute personally to the home, and decided to dedicate my climb to them. However small or big one's contribu-

Mahadevan Govindan held up a Cheshire Homes poster at the Mt Kilimanjaro peak to create awareness on the home and it's unsung heroes.

tion is, I urge residents to get involved. Even if it's just to pay them a visit, see the work that volunteers do there, and lend a helping." Climbing Mt Kilimanjaro was a lifelong dream for Govindan and he said he has a passion for the mountains, nature and camping. His venture was self-funded and he has been instrumental in navigation and survival training on the highest points of Drakensberg and Lesotho during studies and climbed Drakensberg twice to the highest peaks. Govindan added that summiting at night was the hardest challenge he had to com-

plete in his life and after spending 15 minutes at the highest peak, they had to descend to prevent altitude sickness. "Every sunrise and sunset and the feeling of euphoria when we are over the clouds was exhilarating," he added. He has set his sights on climbing Mt Fuji in Japan and then Everest Base Camp. Mystery surrounds elderly couple's death

A Crossmoor couple burned to death after their vehicle burst into flames at a parking lot in Park Rynie Beach, on Saturday morning. According to family of Aroomugum George Moodley (68) and Kistamah Baby Moodley (70), they were on their way to visit relatives in Sezela when the tragedy occurred. The couple's family is now questioning the circumstances surrounding the sudden and shocking death of their parents. Speaking to journalists at the family home in

Golden Poppy Crescent, the couple's daughter, Cookie Naicker, said her parents were fishing buddies and never spent a moment apart. "We cannot come to terms with the circumstances around the tragedy. My parents were a loving couple who were always together. We are waiting for the investigation to be finalised so that we get some closure," she said. According to the family, the couple left home at about 8:20am that fateful morning. "They loved to be together and probably stopped

to fish before visiting our relatives. When we received the call about their death at about 10:30am, we were shocked and didn't believe that it was them. We drove to Park Rynie, where we identified the vehicle and saw their charred remains," said the couple's son-in-law, Logan. The pensioners were described as kind and loving people who were always willing to lend a helping hand. Their joint funeral was held on Tuesday, August 2, at their home in Crossmoor.

Flood victim's family speaks out

The family of the Croftdene mother, who was killed during the heavy rains, last week, believe that her death could have been prevented. Priscilla Pillay, 47, an employee at Kharwastan Pharmacy, went missing after her vehicle was pulled into the raging waters of an overflowing stream in Silverglen's Mini Park on Silverglen Drive while she was driving home after work during the heavy rains last Monday. Search and Rescue workers, together with rescue dogs, found Pillay's body 20 hours later, about 300 metres away from where her vehicle was washed away. In an emotional interview, Pillay's son, Duerelle, 27, said his sister and 82-year-old grandmother are struggling to cope with their mum's tragic death. "My mum's death was a very traumatic experience for our family and also for everyone who was involved in the search. The community stood by us until the end and we send our heartfelt thanks to everyone who assisted us. After finding out about that my mum's car was pulled

Paying homage to Bobby Reddy

The death of Chatsworth community, cultural and religious figure Munirathanum "Bobby" Reddy (pictured) has been lamented by several organisations that he served over several decades.

Hundreds of mourners gathered at the SCDIFA Hall in Silverglen last Sunday to pay their last respects to Reddy who passed away after a long illness.

Reddy, 72, of Mobeni Heights was the eldest son of the well-known philanthropist and religious leader, the late VM Reddy.

Reddy qualified as a teacher and taught for several years before joining the family business, Ray's Re-

movals. His passion for service was driven by his zeal to make a difference.

Playwright and author Ronnie Govender said, "Bobby Reddy who hailed from a remarkable family formerly from Cato Manor was always a man of action and involvement.

"He was heavily committed to numerous community, cultural, religious and educational organisations and the large turnout at his funeral service, both at the SCDIFA Hall and the Clare Estate Crematorium, bears testimony to the high esteem in which he was held."

Serving in the field of religion, Reddy was trustee and secretary of the Cato Manor Hindu Temple; trustee and chairman of the Mobeni Heights Shree Siva Soobramoniar Alayam; member of the Shri Gengaiammen Temple in Cato Manor; member of the Umgeni Road Stri Vaithianathar Easvarar Alayam; treasurer of the SA Hindu Maha Sabha; and trustee of the Arupta Kazhagam of SA.

He was a trustee of the International Centre for Performing Arts; trustee of the Nataraja Cultural Academy; trustee and chairman of the Natal Tamil Vedic Society Trust; trustee of the Tamil Federation of KZN; chairman of the Mobeni Heights Tamil Association; member of the Global Organisation for People of Indian Origin and member of the Clairwood Tamil Institute.

Reddy was trustee and chairman of the Mobeni Heights Civic Association; treasurer of the Cato Manor Cemetery and Crematorium Association; chairman of the Jacobs Indian Cemetery; trustee and vice-chairman of the Clairwood Madras Cemetery Trust; trustee and vice chairman of the South Coast District Indian Football Association; member of the South Indian Forum; and member of the Chatsworth Crisis Care Committee.

In addition Reddy served on the governing bodies of several schools and was a member of the Sastri College Alumni.

Reddy is survived by his wife Prem, sons Sundren and Nasen, and daughters Denisha and Nishantha.

Devotees lovingly prepared the 5000 cupcakes which were distributed throughout Durban.

Temple president, Vibhu Caitanya Das.

Devotees spread cupcake happiness

The International Society for Krishna Consciousness (ISKCON) is celebrated its 50th anniversary and to mark this auspicious day, dedicated devotees distributed 5000 cupcakes across Durban, last week. The founder of ISKCON, His Divine Grace, AC Bhaktivedanta Prabhupada jokingly once remarked that the Hare Krishna devotees follow a kitchen religion where they are always feasting and sharing prasadam (sanctified food). On the actual day of the anniversary, the devotees chose to spread joy by distributing the delicious treats to the Mayor of Durban and his office, schools, hospitals, market places and taxi ranks. Sri Sri Radha Radhanath president, Vibhu Caitanya Das said, "We want to share this happiness and our appreciation for His Divine Grace within our community."

Search for flood victim ends tragically

(continued from page 3)

into the raging water on Silverglen Drive, I immediately went to the scene. My friends and I, together with residents and members of the Silverglen CPF, began searching for her. There were no other authorities at the scene assisting us. We went to the nearest police station and asked for torches to assist us in the search for my mum, however, we were turned down and not assisted," said Duerelle, who had lost his dad after a short illness about eight months ago.

The family further claimed that there was no disaster plan put into place by the relevant authorities to handle an incident of this nature. The family, friends and residents battled for many hours in the storm in search of Pillay and believe that if search dogs were sent out earlier, their beloved mum would have been found sooner. "We knew that there was little chance of her being alive, however, we continued the desperate search for her with no help from authorities. I tied a rope around me and had some of my friends and family anchor it around them before jumping into the river to search for my mum in the vehicle, which was badly damaged. Although we will never receive justice for my mum's death, we will now fight for

the safety of others. We call on the relevant departments to stabilise the roads in Chatsworth, enforce a strategic disaster plan, and clean up the drainage systems and shrubbery and trees around drainage systems to stop the recurrence of blocked drainage which causes flooding," he added. Pillay's nephew, Neville, 43, said another concern which needs to be adequately addressed is illegal dumping and littering, which are both a major cause for concern in the Chatsworth area. "Clogged drains cause flooding and overflowing water causes major damage to properties. When

The car that Priscilla Pillay was driving at the time of the incident.

there is loss of life because people have not been responsible enough, it angers me. We will not sit back and watch this happen to another innocent person. We, as a com-

munity, have to stop being apathetic and start taking responsibility. The relevant authorities also need to take responsibility and have volatile areas examined and repaired or

restructured to ensure the safety of residents," he added. Pillay was laid to rest at the Mobeni Heights Crematorium last Thursday.

AM4C elects community activist as mayoral candidate

Dheenadayalan Govender is an experienced leader in the area and has been doing community work from a young age. He is very passionate when it comes to senior citizens. For the past five years as a councillor he has interacted with all the senior citizens clubs in Ward 71 where he was a PR Councillor. He has also worked with many organisations as well and had an advice desk in his office for the abused women and children.

He serves as the chairman of the Sri Subrammiah Temple and is doing a sterling piece of work. He has a passion to work tirelessly with the orphans and physically challenged. He has a vision to eradicate alcohol and drug abuse in the area.

Dheenadayalan Govender is an enthusiastic and confident individual who has the experience and passion to be servant leader to deliver and serve all. Vote for a leader with experience.

View the AM4C advert on the front page.

Dheenadayalan (Ravi) Govender (48) is the Mayoral Candidate for eThekweni Municipality and a candidate for Ward 73 in Chatsworth for the Allied Movement 4 Change a Civil Society Organisation.

Rotary Club of Chatsworth warmly welcomes exchange student

The Rotary Club of Chatsworth proudly welcomed Maje Kaske of Germany to Durban as part of Rotary's short term exchange programme.

Rotary's short term exchange programme spans a six month period during which participants attend school and live with a host family which also provides the student with a great opportunity to gain a better understanding of the culture and lifestyle of their host family, the Rotary Club and country at large.

Kaske is 16-years-old and hails from the Rotary Club of Minden-Porta Westfalica. She is currently being hosted by Mr and Mrs Vinodh Naidoo of Hillary. Hamara Naidoo will be the outgoing short term exchange student in December.

Club president, Vani Govender welcomed Maje and wished her well on her exchange programme. Govender also thanked her host family for their amazing hospitality in hosting the vibrant young lass.

For more information about the Rotary Exchange Programme, contact the director, Bobby Padayachee on 083-656-3240 or president, Vani Govender on 082-573-5082.

Outgoing short term exchange student, Hamara Naidoo and president, Vani Govender are seen handing over the Chatsworth club banner to Maje Kaske.

Glenover to host reunion

Women are the vanguard of our communities

To commemorate Women's Month, the Rising Sun Newspaper will be providing a platform for five dynamic women who have made invaluable contributions to society. This week, Jennifer Chetty shares her message.

"A woman is a full circle. Within her is the power to create, nurture and transform." Understanding a woman is a mystery and it needs lots of perseverance and knowledge. A woman is the epitome of love, sacrifice, care and ability to nurture life." Author unknown
These words must resonate with all women as South Africa celebrates

60 years since the voice of women were first heard on the peaceful grounds of the Union Buildings in Pretoria. Women have travelled a long journey through life and today are able to mark their place in society, in their community and home. This journey has caused us to realise that our true beauty and strength is not found in the opinions of others, or in any person or thing. Our strength and beauty is found inside of us, in our character, actions, kindness, grace and love to others and also in our independence of loving and enjoying life. Today, more women have become aware of their rights and they have become vocal against their abusers or victims in taking a stand against any discrimination exercising their rights. Gladly, society has accepted that women should not be overlooked and have paved a way for the growth of women in communities, businesses, politics and in government. Attitudes towards women have changed and society is more accepting of women recognising the contribution women have made to society. Finally the steps taken to correct the past sidelining of women is slowly becoming more and more visible. The journey of women is not an easy one, the pressures of being a mother, wife, business woman, employee, home executive as well as the need to be recognised as an equal partner in both the home and professional platform has its many strains coupled with that the pressure that we as women have put on ourselves to fit into a box that is defined as beautiful adds a new dimension to our battles. It is in our best interest for us as women to choose our battles carefully. Not every complex situation should end up in a battle. Most often our strength to overcome is found within us. When a woman knows her value and worth she is able to choose beautiful even though she is feeling average. It is said that, "Being a female is a matter of birth, being a woman is a matter of age, but being a lady is a matter of choice." Proudly today more women are enjoying the transition into becoming ladies in all fields they represent taking class and beauty into the home and workplace and navigating various social and professional tasks with ease and proficiency in their chosen fields. This Women's Day may we all choose to celebrate the gift of being a woman and the choice of being a poised lady who is graceful, confident and knows her position in life. It is not necessary to shout about who we are and what we deserve as women anymore, but rather use our inner strength and beauty to show who we are. We are

creators, we are innovators and we are nation builders.

Nerissa has the key to success

Chatsworth resident, Nerissa Naidoo (26) completed her term as the UKZN Golden Key President, recently and was all smiles when she concluded part of her research in Belgium on the shoulder region. She is now the South African representative on the Council of Student Members for the Golden Key worldwide. During her research, Naidoo examined the normal and pathological shoulders by using the 3D CT scan reconstruction system. While studying, her team also developed a new shoulder model that will be published very soon. She is currently completing her PHD in Health and Sciences: Research in Clinical Anatomy and is hoping to be done in the next month or two. Naidoo said, "Getting my PhD in Health Sciences: Research in Clinical Anatomy was not my initial dream. I wanted to study medicine and while I was studying medical science and anatomy, I knew that this is what I wanted. I drew inspiration from my family and friends. Apart from studying, I enjoy cycling and travelling. I will be representing South Africa for the Golden Key Council Student of

Nerissa Naidoo

Members which will be held in Tucson, Arizona where I will meet with the rest of the international students and also do community outreach programmes." The Golden Key International Honour Society is an Atlanta, Georgia-based non-profit organisation founded in 1977 to recognise academic achievement among college and university students in all disciplines. Golden Key has over 400 chapters at colleges and universities in eight countries, Australia, Canada, India, Malaysia, New Zealand, South

Africa, The Bahamas and the United States. It is the world's largest collegiate honour society. Membership into Golden Key is by invitation only and is offered to undergraduate and graduate students recognised to be among the top 15 percent in their university. Naidoo would like to acknowledge the teaching, learning and student services offices at UKZN. In addition, she has also been a successful recipient of a Travel Grant by Golden Key International Honour Society.

Woodhurst residents face health risks after storm

An elderly Woodhurst couple who has been fighting a losing battle for the past four decades is calling for the municipality's intervention.

The recent heavy downpour has led to an overflow of water, faeces and dirt at the couple's Leo Avenue home.

According to Jessica Mothlal, her parents have been residing at their house for the past 43 years and have had to bear the consequences of having manholes on their property.

"Each time there is a storm, we experience the same problem. We have been requesting for the municipality to address the issue for the past 40 years. When we do report the matter, they come over and clean up the area and the problem is fixed temporarily until there is a storm again. We are pleading for the municipality to remove or reposition the manholes. It has been one week since the last storm and the problem has not been addressed.

"This issue poses numerous health risks

The faeces that that were found on the couple's property.

not only to my family but to our neighbours as well. My 78-year-old father has to clean up the area using basic detergents, which unfortunately cannot eliminate the health risks associated with the waste that em-

anates from the manholes. "With the high rates that we pay, we deserve proper and a respectable service. We are requesting for the municipality to resolve this issue before we face another storm."

A comment from the municipality could not be obtained at the time of going to print. However, the feedback received in regards to this issue will be published when it becomes available.

Heavy rains cause havoc in Chatsworth

The recent heavy rains which began last Sunday caused havoc in Chatsworth. This led to flooded homes, structural damage and motor vehicle collisions in various parts of the Chatsworth area.

The eThekweni Municipality Disaster Management team were on the ground, monitoring and evaluating the damage caused to homes and roads around the city. Seen are one of the damaged roads and houses. For more pictures of the damages, visit www.risingsun-chatsworth.co.za

Jewellery stored robbed

Golden Jewellers, based at the Chatsworth Centre, was robbed during the early hours of Monday morning.

Confirming the incident, owner of the store, Dalip Rajcomar, said that when his manager entered the store, she realised that someone had broken in. "It is believed that the suspect gained entry through the ceiling."

Rajcomar added that he could not confirm how

much was stolen as staff are currently conducting stock taking. "I believe that jewellery stores are being targeted. Owners need to be extra vigilant and take the necessary precautions to prevent such incidents from occurring," he added. Centre management was contacted for a comment, however, they could not confirm the incident at the time of going to print.

Vote for someone who will work for and with you

The residents of Ward 70 (Woodhurst, Westcliff, Silverglen and part of Bayview), have another opportunity to ensure you elect a councillor; you will be able to contact when you require assistance. My name is Sharmaine Morar. I have been a councillor for 15 years. My track record of service delivery in various areas, can be verified by residents, organisations and other stakeholders, not only in Ward 70, but other parts of Chatsworth.

It's time for the residents of Ward 70 to claim their rightful space to a clean, safe and serviced ward. I'm committed to working with all organisations in the ward.

Opposition parties will make promises, which they know they can never fulfil. The DA has been in charge of Ward 70 and must take responsibility for failing the trust the voters placed in them.

Under the DA, land invasion continued to grow in the Silverglen area. Silverglen is still without a library and

clinic. Ward 70 is the only ward without a community hall. Heavy industry is causing havoc in the Woodhurst area, while the Westcliff flats are not receiving any services. This all, under the watch of an elected DA councillor. The DA said on Lotus FM, "Their ward councillors cannot deliver, because they do not control the municipality". The reality is, the DA is never going to win the municipal-

ity. Are you prepared to risk another five years of non-delivery? Another five years of frustration when the elected councillor cannot be contacted or ignores your calls. Another five years for a new candidate to learn about council, while you wait for services. Remember this is local government elections, so you are voting for a local councillor, someone

who is on the ground and someone who understands your problems.

The ward has suffered far too long, under opposition rule. As the DA says, "Vote for Change". I agree with them. It's time to vote for change in Ward 70.

I urge you, walk with me, to the table where the decisions are made.

Man caught with heroin worth R150,000

A man was arrested by the Organised Crime Unit and NUI in the Bayview policing area, after he was found in possession of 9600 heroin capsules, worth an estimated R150,000, recently.

The police officers were conducting their patrol in the area when they made the arrest. According to communications officer of Bayview SAPS,

W/O Collin Chetty, the suspect's vehicle, a VW Polo, was also seized during the arrest along Symphony Road. An appeal is made to the community to assist with any information with regards to drug trafficking. Anyone with information can contact Det Cpt Devan Moodley on 082-567-4189.

SVTT to observe Guru Peyarchi prayer

The SVTT will be observing the Guru Peyarchi (Jupiter Transition) prayer on Tuesday, August 2 at 6pm.

The community is invited to attend and receive blessings in order to obtain good education, jobs, marriages, and heal stomach and skin illnesses, etc. For more information, call 031 400-5901.

Fun, food and festivities

Thousands of fair-goers gathered at the Chatsworth Circus site to support the annual Vodacom ABH Chatsworth Fair this weekend. From spectacular entertainment to sumptuous meals, loads of bargains and exhilarating rides, this year's fair certainly met the expectations of residents. One of the highlights was the distribution of 1000 hampers which were handed out from the Rising Sun stall, courtesy of Take n Pay Foodtown Hyper. Seen below are some of the scenes from this year's four day event.

Community educated on Mandela Day

Drug users and residents were given hope and the option to receive free counselling in a joint initiative for Mandela Day held by the Bayview SAPS and Refocus and Upliftment of Society (RAUF), last week. Communications officer of the Bayview SAPS, W/O Collin Chetty, said both the organisation and the SAPS are striving towards a drug free society and the walk about in the Bayview area served to explain to drug users the harmful and negative effects of drugs. "The members of the community, drug users and family members of users of drugs were urged to support the programme that RAUF offers to the community of Chatsworth. The organisation's volunteers, who have been rehabilitated by RAUF, counsels users on how they need to change their lives and gives them hope. The programme was very successful with many users getting in touch with RAUF," said W/O Chetty. For more information on RAUF, call 031 269-3662 or email raufoundation@telkom.net. Meetings are held every Wednesday from 7pm to 9pm at the Woodhurst Masjid Hall.

The walkabout was a joint initiative by the Bayview SAPS and RAUF. The initiative was aimed at combating the drug battle.

Promoting unity among youth

The Food for Life Children's Projects in collaboration with the staff of SAPREF hosted a fun day for youth at the Durban University of Technology, Mansfield Hall. The theme of the event focused on promoting unity and respect for diverse cultures and traditions.

The various organisations invited children's groups, including children from the ABH in Chatsworth, who performed items of song, dance, drama and prayer. Manager of the project, Divesh Maharaj indicated that the Food for Life programme is committed to promoting social cohesion among young people

as they are the future leaders of society. The youth enjoyed a sumptuous breakfast

and lunch and the various young performers received a gift for their con-

tributes. For more information, email divesh@fllsa.org

"Cllr Brandon Pillay is one of the finest young leaders of his generation. He is always among the people, leading, listening, solving problems. He cut his political teeth taking up bread and butter issues, defending the poor. The ward he leads is a much better place now than it was five years ago. I congratulate him for working hard to unite our people and building non- racialism. I urge you to give him your support for another five years so that he can complete the work he has started. The ANC is proud to count a leader like Brandon Pillay among its ranks of committed activists. Vote Brandon Pillay on 3 August. Claim your space as we advance people's power in every community". Paying tribute to Bobby Reddy

Editor- It is with a heavy heart that I write this letter about the passing away of Bobby Reddy, an astute businessman in the transport industry. He was the director of Rays Furnishers from Mobeni Heights. He has left a void not only in the lives of his family but in the lives of all his friends and the people who associated with him. I will be amiss if I did not pay tribute to his public life which spanned 40 years and for everything that he has done for the community. His contribution was appreciated by the many people he helped and for preserving our culture. His strong culture roots was inherited from his late father Mr VM, Reddy. Bobby Reddy will always be remembered for his wisdom and guidance and dedication to serve humanity. May his soul rest in peace as he continues to be our guiding light and inspiration.

Chats SAPS assists Lake Haven

After hearing about the tragedy at Lake Haven Youth Centre in Sea Cow Lake, where eight children between the ages of six and 18 were killed after a fire gutted the home, the Chatsworth SAPS personnel got involved in the aftermath of the disaster and assisted the centre. Communications officer of the Chatsworth SAPS, Cpt Cheryl Pillay, said the management and personnel of the Chatsworth SAPS were distraught after hearing about this tragic incident. "I contacted the Lake Haven Youth Centre and was informed of the plight of the children. An appeal was made to the personnel to assist the centre. We visited the centre and handed over clothing, blankets, groceries and stationery to the children. We appreciate the assistance of Pastors Prem Sukraj and Jayce Ramdhini of Word of Hope Ministries," said Cpt Pillay.

New adventures begin

Editor - Having to leave the hospital after 22 odd years is like leaving home. I started working in the hospital pharmacy in September 1995, then to admin in the first few years and finally the last 16 years as the PRO of Life Chatsmed Garden Hospital. I convey my sincere appreciation to the hospital managers, matrons and all of the staff, previous and current. My ap-

preciation also goes out to the Durban South Doctors Guild and the Chatsmed IPA for their caring and continuous support not only to me but to my family as well. I am also proud to have interacted with the community. Having to assist the NGOs, schools, businesses, NPOs was indeed a pleasure. I am also looking forward to my new venture

Cops and bikers spread hope and love

As the world reflected on Nelson Mandela's legacy during the Mandela Day 67 minutes campaign, members of the Chatsworth SAPS, together with members of the Revolution Motorcycle Club, brought hope and joy to thousands of

children from various schools in Chatsworth and surrounding areas. The Brown Paper Bag Campaign was supported by the management and personnel of the Chatsworth SAPS. Communications officer of the Chatsworth SAPS, Cpt Cheryl Pillay, said, "Together, we embarked on this project hoping to bring smiles to the little children's faces. The personnel who serve the community of Chatsworth have led by example to make a positive change in the lives of many children. We hope that our ac-

tions have made a difference in someone else's life." The SAPS K9 Unit dog handler, Sergeant Xaba and his dog Erika held a dog show much to the delight of the little ones. "The Chatsworth SAPS is committed towards protecting the children of South Africa. It starts with you and I to bring the change that is much needed in this world. We appreciate the partnership formed with Clive Pillay of the Nelson Mandela Youth Centre and the Revolution Motorcycle Club," she added.

School thanks Revolution Motorcycle Club

Moorton Heights Primary School's grade R pupils received gift bags from members of the Revolution Motorcycle Club for Mandela Day. The principal, staff and SGB thanks the club for their kind gesture.

Mr S Govender, K Govender (Smart Club coordinator) with role-players of the Smart Club and RCL.

Speak your mind
By Dr Guru Kistnasamy

Are women subjected to oppression and discrimination?

August 9 marks National Women's Day in South Africa. On this day in 1956, more than 20,000 women marched on the apartheid government's Union Buildings in Pretoria. The march was to protest against the pass laws. Blacks were arrested and imprisoned if they did not carry a document called a 'pass'. Today, we have democracy and freedom of movement in South Africa, but are women free from oppression, discrimination and abuse, nationally and internationally?

There are still many oppressive and discriminatory religious, cultural, legal and societal practices in the world that make women seem inferior to men. Traditionally girls are taught to be submissive and hardworking in order to attract a man as a wife. In some cultures men marry several women as in polygamy. The wives then feel obliged to do whatever the husband's bidding is. It would be interesting to observe whether women can practise polyandry, i.e., one woman having multiple husbands! In some economically deprived areas, education is reserved for boys. Girls grow up to be illiterate women who carry out menial jobs through lack of education. They then become financially dependent on their husbands. In such circumstances they have no choice but to tolerate abuse by the husband and his family.

In parts of South Africa today the practice of 'ukuthwala' is carried out where a man can abuse the custom by kidnapping a girl and keeping her as his wife. The parents of the girl who are poor are paid to accept the situation. In some parts of Africa, female genital cutting by a blade or knife is carried out. This is supposedly done to preserve chastity and purity. This causes infections and often leads to death. HIV/Aids is inflicted on young girls through rape and unprotected sex. Impoverished females are seduced by money and gifts by so

called 'blessers', older men with money who exploit their poverty. Honour killing is the murder of a woman by her brother, father or male relative for perceived disgrace such as going out unaccompanied, marrying out of their ethnic background, or even for being raped. This is practiced by some people in countries such as Pakistan, Egypt and Morocco. The answer is that even in today's modern world, many women are oppressed and discriminated against. To overcome this, education is important as it can lead to economic independence. There must also be a conscientisation of males who should realise that women are their equals and should not be treated as slaves.

With regard to conscientisation, the role players will be parents, teachers, religious leaders, community leaders and politicians. Let us all rally to the call- 'you strike a woman, you strike a rock'.

Mariannhill Primary commemorates 'Black Thursday'

Mariannhill Primary School commemorated 'Black Thursday' recently to create awareness and stand in solidarity with women who are victims of rape, abuse or domestic violence.

The Smart Club and RCL organised an assembly programme to highlight the message behind 'Black Thursday'. The programme included plays, dances, poems and speeches.

The principal was extremely proud of the two organisations within the institution and placed emphasis on the research, organisational skills and scriptwriting done by the pupils.

He said, "It is heartening to note that our pupils are using the education they receive to become responsible members of civic society."

Praise was extended to Khushi Haripersad for writing the script and Goodness Machi for organising the event.

WIN A CAR

The Anti-Drug Forum's Smart Club will once again host its annual placard demonstration. Excitement is mounting as this year the placard demonstration is set to take place on Friday, August 12. On this this momentous day, pupils from both primary and secondary schools alike hold a placard demonstration outside and in the vicinity of their schools. Many schools have already started preparing for this important and exhilarating event and they urge others to join in and represent their school in the fight against substance abuse. All schools that would like to participate can call 031 404-6993.

C.C. Promotions Premier Chatsworth Pageant

One of South Africa's top pageantry and entertainment organisation has become a household name in the four corners of KwaZulu-Natal. C.C. Promotions has undoubtedly become synonymous in the pageant and entertainment industry, and is one of KZN's most iconic and notable productions. This year, the pageantry foundation will celebrate its 20th anniversary, which is indeed an impressive achievement for all members. Founded by Clive Chetty, this reputable organisation has always showcased young and old talent within the community, while also staying true to the ethos of community upliftment. The pageants organised have certainly served as a platform for participants to establish themselves in the modeling world and entertainment industry and at the same time they are able to use this opportunity to make a difference in the community. C.C. Promotions thrives towards community upliftment and development and its premier

Participants for Premier Chatsworth Pageant 2016

pageants have been circled on the calendar as one of the most remarkable and highly recognised events in the province. It is a beauty pageant with a difference. Categories include: Master, Little Miss, Teen Miss, Miss, Mr and Mrs Chatsworth. Winners will stand a chance of

winning two trips to India courtesy of One Stop Travel and Tours, one trip for the Chatsworth Pageant and one trip for the Phoenix Pageant. August 27 is all systems go when the 20th anniversary will be celebrated in style, with table seating, which will be one of the fondest

memories of C.C. Promotions. To avoid disappointment, book your seat now. Contact Clive Chetty on 072 127 1570 / 084 014 6123 for more information. Auditions for 2017 are now opened, SMS, WhatsApp or call the above numbers soon.

Devotees during one of the prayers.

The guru together with devotees at the Marieamman Murthi.

Devotees unite at Marieamman prayer

The Arena Park Siva Aalayam hosted another successful annual Marieamman prayer, recently. With the consecration of the Marieamman Murthi in its own shrine last year, a large number of devotees frequent the temple throughout the year to offer their devotion and this is evident by the huge turnout of devotees who attended the Marieamman prayer. The management committee of the aalayam conveys its thanks and appreciation to all the members, devotees and the public for their kind contribution and support.

MOSA assists flood victims

The recent heavy downpour caused havoc and MOSA candidate councillor Shaman Naicker was present to assist those who were affected.

"I received a call around 8pm from Allan Naidoo of Democrats Street. Allan was distraught that his front and back fence collapsed due to the downpour and flooding. I advised him to contact the Storm Water Department and request for staff to visit the house and assess the damages.

"If I am elected as your Ward 73 councillor, I would setup a disaster relief fund for our residents of Ward73 so that in times like this, people who are destitute will receive help. In their hour of need we would have this fund allocated by me as your Ward councillor to assist those in need to restore their lives back to normality. This will reduce the pressure placed on the municipality."

Shaman Naicker is seen with Allan Naidoo.

Tons of deals on offer at the Ridge

If there's anything that we've noticed, it's that the Ridge@Shallcross has been alive with activity in the last few months. From the installation of a free WiFi service to the opening of new stores like Angelo's Pizza, Manta Travel Services and Clothing Junction, and exciting promotions and fantastic giveaways including shopper vouchers for a makeover valued at R4 500, a trip for two to the Ariel Hotlaps Racetrack Experience worth R3 600, a two-hour chauffeured ride on a Harley Davidson and a shopping spree for Eid valued at R2 500. Furthermore, Everest Primary School has been awarded R5 000, which will be used for a much needed development project.

The excitement continued on Mandela Day when 670 muffins were served with tea and coffee to the first 670 shoppers. Patrons of the Ridge lined up to receive a treat in the true spirit of Ubuntu. Warm clothes and blankets were collected and will be donated to those in need within the community. The Ridge is indeed a lifestyle shopping centre within the Chatsworth community and continues to be mindful of needs of the community and where assistance is necessary. Manager, Elvis Frank said, "The Ridge@Shallcross store offerings has expanded in the last six months and the Ridge continues to provide extended shopping hours for your convenience." Visit their website, www.TheRidgeMall.co.za or the Ridge Shopping Centre Facebook page to stay updated on upcoming promotions, competitions and new events.

Fat Buster - changing the shape of the nation since 1999

Obesity is fast becoming a world-wide epidemic. South Africa has the highest obesity rate in Sub-Sahara Africa with up to 70 percent of women and a third of men being classified as obese. A staggering 40 percent of women in our country are obese. Obesity carries health risks such as cardiovascular disease and high blood pressure. This increase in weight is attributed to an unhealthy lifestyle that could among other things, include an excessive consumption of unhealthy or wrong food. Fat Buster was launched in 1999 and has been advertising with the Rising Sun since its inception. They have had tremendous success with the product and one of the reasons it has been so popular is that one does not need to go on a diet to lose weight. Simply take one Fat Buster capsule half an hour before lunch and dinner and the Fat Buster will trap fats from the foods that you eat. One capsule absorbs up to 15 times its own weight. Because your body still needs fats to function normally, your body is then forced to use up the stored body fat in other words the weight you are trying to lose. The product comes with detox tablets. Most people find it difficult to lose weight because of the heavily laden toxins in

the body. Once the toxins are released, weight loss becomes a breeze. Fat Buster is 100 percent natural, does not contain any drugs or stimulants and is Halaal certified. Weight losses of up to 12Kg per month have been reported. One of the benefits of taking Fat Buster is feeling younger once you lose weight, in addition to better health. Clients have reported trying just about every product on the market and are impressed by Fat Buster. No more hunger pangs, lowers cholesterol levels, balances blood pressure and is excellent for diabetes as it balances the blood sugar level. Fat Buster is also excellent for constipation, clears acne and detoxifies. No strenuous dieting required with Fat Buster. Get the body you only dreamed of!! Guaranteed permanent weight loss. Kay Reddy, 59-years-old (Pictured) is the brand ambassador of Fat Buster and personally endorses and recommends Fat Buster. She has maintained her weight of 50Kg for the past 17 years!! Fat Buster – the winning formula to your health and weight problems. There is no better time than now to get into shape for summer. Visit www.thefatbuster.co.za for amazing specials. Call 032 943 3910 or 082 535 1347 to order.

Book your massage at the Desi Girl Beauty Spa

At Desi Girl Beauty Spa, we specialise in the professional art of tantric massage. Tantric massage is practiced in the nude, however is not to be confused with a sexual act. Tantric massage is the combination of massaging of erogenous pressure points and sensory lines to release mental, physical and physiological stress. Tantric massage very often also releases psychological and emotional stress you may have no idea is there.

A Tantric master was quoted as saying, "While ordinarily, an ignorant person can fall into decline through sexuality, an intelligent person, who controls himself, can rise and progress precisely with the help of sensuality."

At Desi Girl our practice is up market, elite spa and consideration for your safety and hygiene is guaranteed.

We are open seven days a week from 8am – 8pm. Contact us on 031 566 4775 or 031 566 4532 to schedule your appointments. If you have any enquiries, call 081 713 2523 or 081 712 6911.

Wet start to charity car show

Seasonal rain prevailed at the start of this year's annual charity Scottburgh Classic Car Show at the Scottburgh High School. Despite this, many classic cars arrived but the overall number of visitors was much lower than last year.

One of the many Stiletto Models in the Fun & Fashion Parade during the classic car show in Scottburgh.

Sohail Seegobin was the over-all winner.

Cook-off competition heats up

More than two hundred people from all walks of life attended the regional semi finals of the vegetarian Fry's Curry Cook-Off competition on Saturday at the Sibaya Casino and Entertainment Kingdom in Durban. The final cook-off will take place at the Wild Coast Sun. The over-all winner on Saturday was Sohail Seegobin. Celebrity chefs, Deena Naidoo and Asha Maharaj were part of the judging panel. Over the years, the Fry's products have become the known choice in the homes of vegetarians. All Fry's products are made with nature's plant proteins. It is free from harmful chemicals and it is high in protein and fibre. From small innovative beginnings in the Fry's family kitchen, to an international success story, Fry's family foods produces a wide range of meat-free and 100 percent vegan foods for your everyday meals.

PRTech College provides affordable and accessible further education

PRTech College (Pty) Ltd is a fully accredited private training provider that is now open in Umbogintwini. Established in October 2012, we have a proven track record that provides affordable and accessible further education and training in a variety of fields ranging from IT, Business Studies and Engineering. Our focus is on ensuring that students are properly skilled in their field of study that will ensure employability. Being located in the Durban South basin where large industries such as Toyota, SAPREF, Engen, AECI, etc exists will ensure that students will be exposed to the functioning and requirements of such industries. Our campus consists of training venues as well as fully equipped training workshops. Visit our campus to view how theory is combined with practical and work based training that ensures that all students leaving our doors are fully skilled in their respective field of studying. We believe that education together with a skilled and capable workforce drives economic prosperity and therefore is the key to a successful nation.

Staff from Game Woodlands at Heneka Haven on Mandela Day where they donated heaters to keep the children warm this winter

Game makes a difference on Nelson Mandela Day

“Our children are our future and one of our most basic responsibilities is to care for them in the best and most compassionate manner possible” – Nelson Mandela. It is in cognisance of these words that Game teams members rallied together on Nelson Mandela Day to make a difference in the lives of disadvantaged children. Core to Game's corporate social investment mandate is caring for and giving back to the communities in which it operates. In line with this and in celebration of the legacy of South Africa's former President Nelson Mandela, Game donated: food hampers, nappies, baby clothes, shoes and paint to 200 disadvantaged pre-schoolers at Ekuphileni Educare (Durban). They also donated three gas heaters to Heneka Haven – a home which cares for HIV positive children as

well as children with physical and mental disabilities (Pretoria). Food, toiletries and detergents were also donated to the Katia Day Care Centre (Johannesburg). Game also teamed up with Proudly South Africa to donate toys and stationery to Helen Joseph Pediatric Ward and Raeema Moosa Hospital (Johannesburg). Game's Marketing and Customer Director Mark Turner, said, “Nelson Mandela Day reminds us that we all have a part to play in upholding the legacy of Madiba. We as Game strive to do our part in making the world a better place by making the biggest possible impact in areas that matter the most through our extensive corporate social investment which touches and changes the lives of many disadvantaged individuals.”

Management and some of the senior citizens who attended the event.

SBP Arena Park treats elderly residents

The management of BP Arena Park arranged a fun-filled luncheon for senior citizens from the area, recently. They were treated to a sumptuous lunch as well as a BP goodie bag. The management of BP Arena Park's motto is, 'Never doubt that a small group of thoughtful, committed citizens can change the world; indeed it's the only thing that ever has'. These words by Margaret Mead hold true for them indeed.

SEE EVERYTHING IN A MIRROR/POT WITH POWERS. STOP SUFFERING & LIVE A HAPPY LIFE WITH GREAT PSYCHIC PROF. ZOPIH. 28 years experience.

"I WAS RELIEVED"
 I had lost hope in life, I was dissappointed, miserable & desperate for so many years. I worked hard but couldn't save my money & had lots of debts & I couldn't pay for my house & car & school fees for my kids. My marriage was messed up. A priest referred me to Prof. ZOPIH, who helped me stop all my worries in only 3 days. He read my fortune, showed me all my enemies in a powerful pot of water. He gave me a magic ring with blessed water. I paid all my debts. I now have my own house & car & my marriage is peaceful & so happy with our kids.
 I am Kwenama Khumalo from Richards Bay.

 Laid to rest 25th July 2016
There's a special angel in heaven that is a part of us. It is not where we wanted her to be, but where God wanted her. A mother's love is irreplaceable, which makes losing her an incredibly painful experience. Remember mum, you will never depart from us as we have shared this special bond with you. We will treasure the memories of our beloved mum. Your smile on your face will always be in our mind and heart.

She will be dearly missed by her mother, son, daughter, daughter-in-law and a host of family and friends.

Miss Ridge Teen semi-finals wows community

Bianca Lalbahadur

The spectacular Miss Ridge Teen semi-finals compered by Roshan Singh took place at the Ridge Shopping Mall last Saturday. Contestants had the opportunity to show off their style by wearing stunning outfits of their choice, sponsored by management and participating clothing stores at The Ridge Shopping Mall, followed by cultural attire of their own. Ten lucky models with the largest number of votes were chosen as finalists

for the pageant. The magnificent event showcased local music and dances by Bombay Dream Dancers and the event was graced with the humble presence of Miss India South Africa 2015, Miss Ridge Teen 2015, who wowed the audience. The finals will take place at the Ridge on August 27. You can vote for your favourite finalist by spending R100 or more at The Ridge and adding your details together with the name of the participant on the back of your receipt.

Elvis Frank, manager of The Ridge, said, "We had a very good event, which was extremely well supported by all the contestants, their family, friends and schools. We are hoping that the finals will be just as good, or even bigger, and I wish all the contestants everything of the best and good luck." For more information about the Miss Ridge Teen pageant, contact The Ridge management on 031-409-6670/54.

ISKCON to host spectacular Women's Day brunch

The International Society for Krishna Consciousness (ISKCON) will be hosting a Women's Day Brunch at the Hare Krishna Temple in Chatsworth, on Tuesday, August 9, from 9:30am until 1pm. The fundamental aspect of the morning is holistic nourishment as spirituality and meditation plays a vital role in enhancing peace, love and positivity through one's daily life. Some of the highlights of the brunch will be guest speakers, prizes and games as well as a Vedic Fashion show, which will showcase the timeless traditions of ancient India and how exotically beautiful they remain today. ISKCON communications officer, Krsangi Radhe Dasi said, "In the year 1956, 20 000 women marched in unification protesting against pass-laws. The protest song that they sang was

Wathint'Abafazi Wathint'imbokodo (Now you have touched the women, you have struck a rock). Women in today's modern society are faced with many challenges, therefore this year our Women's Day Brunch theme is, Nourishment for the body, mind and soul. The ladies will be treated to a relaxing morning of a sumptuous brunch, entertainment, prize-give aways and discussions. Four guest speakers will also delve through presentations and interactive audience discussions on key issues women face. It will be an amazing day to celebrate and acknowledge the struggles women have faced." Admission is free. Donations are welcome. To make a booking, call 083-9505-111. For further information, contact Krsangi Radhe Dasi on 083-254-8339.

Support upcoming Diwali celebrations

The Shallcross Diwali Committee presents a cultural evening with Luxmi Stars and Flash Entertainers in aid of the Diwali show. The function will take place at the Rajput Hall on Friday, August 5 at 7pm. They will captivate the audience with their dynamic performances. Attendees can look forward to a memorable night of music and dance. For more information, contact Rekha on 073-304-3317 or Amit on 083-955-6699.

Members of Topham Junior Winter Cricket Academy.

Providing quality coaching to youth

The Topham Junior Winter Cricket Academy hosts training sessions on Saturday afternoons from 2pm to 4pm at the Chatsworth Oval.

With the academy celebrating its eighth anniversary, they aim to provide quality coaching and a sound knowledge of cricket ethics and principles. Some of the aspects to be covered at the academy are

a sound knowledge of cricket, fitness, session coaching and individual coaching, the art of batting and the art of bowling in various fielding drills.

The academy has proved to be successful since its inception with many players going on to play premier league cricket at Topham Cricket Club. There is no cost

involved and all are welcome.

All youngsters between the ages of 10 to 15 are encouraged to join. For more information, contact Ben Pillay on 083-543-6167, Manesh Lukraj on 082-892-1110, Vinesh Singh on 084-555-6245 or Kader Yunos on 073-579-3417.

FISHING REPORT

Fishing:

Shad are all the buzz this week with the Blue Lagoon area and Durban piers working well. Garrick have been reported from Winkelspruit to Port Shepstone on live Shad baits.

The Durban Harbour fishing has been disrupted with the huge inflow of debris from the canals that lead into it.

Weather:

Expect fresh South Westerly winds to move in on Wednesday and Thursday bringing rough sea conditions. Weather will settle quickly with sunny skies and calm seas forecast for the weekend although the low temperatures will linger.

Advertorial

Seen are Saheema and Jamie with the Topaz rod and reel combo offer at Township Hyper.

Topaz is tops at Township Hyper

Shad are biting all along our coastline, and what better way to get into the sport than with a super affordable "Topaz" rod and reel combo from Township Hyper. Visit them this week for great deals on a range of fishing gear including graphite Tidal Wave, Max and Black Eagle rods.

The Tidal Wave range is still offered at a 20 percent discount on all models except the 12 foot rods which are a rock bottom deal this week. Special Wave Garrick "Fly Rods" have been adapted to our local conditions with a fighting butt and are selling like hotcakes. Don't forget Township Hyper also has a replacement body panel division upstairs to cater for replacement headlights, tail lights, bonnets, bumpers and windscreens. Call them directly on 031 4016778.

Fitness fanatic is also a jack of all trades

Martial arts expert, teacher and world traveler Abdul Latiff Jogie (pictured) may be a pensioner, but is young at heart. He is on a mission to use his God given skills and expertise to empower the lives of the youth in his community.

The 67-year-old fitness fanatic who is formerly from Malaysia has not only enjoyed a decorated career in martial arts but has empowered many people at the gym to keep fit and in shape. His main area of focus is stamina training, muscle building, kick boxing and various other forms of martial arts. Jogie has been practicing martial arts for the past 50 years. His martial arts certificate was issued by the international karate organisation under Yoshi Kazu Matsushima in Japan. Apart from martial arts, Jogie has a Bachelor of Arts Degree in Physical Education, Bachelor of Education Degree, Bachelor of Education Honours Degree, Master of Education Degree, Master's Degree in Business Administration and Management. He worked for the department of education as a teacher, HOD, deputy principal and principal. He was also a lecturer. He has travelled the world and participated in world karate and kickboxing tournaments. He attrib-

utes his success to Shihan Alpheus Sabela and Kancho Alex Tebutt who he regards as his personal mentors for the past 30 years. "I appeal to the youth, parents and

grandparents to seriously consider training and keeping fit as a measure of good health. People should not wait for something to go wrong with their health before they look for alternatives. They should start keeping fit from now." Jogie said. Apart from education and martial arts,

Jogie works at the St Philomena's Orphanage in Sydenham, Feed the Needy Babies Fund and Strandraer House in Randals Road. Jogie said, "I believe that one should leave a legacy behind. Training and fitness is a key to good health and an alternative to medication."
